

SPRING TERM 2 BULLETIN

5TH MARCH 2021

Headteacher's Message

At last! I am finally able to say that this is the last 'lockdown' communication from me (God willing).

Bulletins will now go back to being fortnightly and in this format.

Although Monday is a day most of us are looking forward to, for some it will bring about some anxiety. Particularly some of our children who will find the transition back to school a challenge. The staff and I will be on hand on Monday morning to support the children and we have all agreed that our first week back will focus on routines, structures and relationships over 'catch up'.

If you are concerned about your child or have something you would like to discuss with us, please do not hesitate to contact us via email and we will do our best to support you.

Wishing you all a wonderful weekend and a successful first day back on Monday. Please remember to stick to your allocated drop off and collection times and to factor in car parking challenges!

Pre-Loved Uniform

Thank you to those who purchased from our shop this week.

This is the first time we have tried it this way and although there were some small issues, we think it worked well.

The shop is now closed but will reopen at the end of every new term.

In the meantime, please donate your unwanted uniform to us so that we can keep filling up our stock! It's a great way to support other families and help us raise some additional funds. Please note that we do not accept any 'whites' such as shirts and ask that all uniform is washed prior to donation. Any donations should be sent to the main office. Thank you!

St Patrick's Day 2021

Children in St Patrick's House are invited to wear Green to celebrate on WEDNESDAY 17TH MARCH

Baby News!

Mrs Brown (Early Years Elephants) would also like share her happy news! She is pregnant with her first child and will be due in September. Congratulations Miss Brown and family!

Sporty Scholars

Please support our Wrap Around Care providers by booking your child in to before/after school provision!

The team have worked closely with the school to ensure that the majority of school Covid 19 mitigations are in place during the wrap around care. This includes social distancing, increased cleaning and hand hygiene and small, consistent groups.

Bookings can be made via their website: sportyscholars.com

Easter Holiday club is also available to book now!
