

# Willen Primary School Uniform 2021-2022

The following items make up our new, official uniform. All branded items must be purchased from our supplier, TKing Associates. However, non branded items (as indicated overleaf) can be purchased from your choice of supplier as we recognise the potential cost implications for families.

The school has size-samples in all ages so that those wishing to, can 'try on' before they place an order. All orders are made online and all deliveries are free of charge to the school . You will then be able to collect your order directly from the school office once TKing has emailed you to say it is ready for collection. Alternatively, you can pay for delivery to your home.

All returns etc. must be via TKing associates. The school acts only as a middle man to keep the cost of delivery free for you. Please understand that we will not deal with returns, issues or enquires.

Please do not hesitate to contact a member of the school admin team should you need any help or have any questions.
